FORTRESS MONROR, Dec. 5 .- The Rickmond Enquirer has a dispatch from

ATLANTA, Dec. 28,-Bragg's head-

Another Radical Triumph in Mis-

From Washington.

WASHINGTON, Dec. 4.—All reports about the removal of Meade that spring up before the meeting of Congress, are pre-mature. After the President obtains

is now preparing by Mr. Welles. The estimate for all branches of naval and marine corps will not exceed \$142,000,000. The items that increase the estimate to this figure, are the expenses of construction and purchase of the immense fleet which, now being the property of the Government, will only cost an annual maintenance and repairs. The report will suggest many improvements in the management of navy mat-ters. Secretary Welles will devote some space to discuss the question of iron clads, and it is said the reason for the failure of the attack on Charleston is, A stylishly dressed young lady that the harbor obstructions are too great to be overcome by vessels. Mr. Welles There is no doubt that Schuyler Colfax will be speaker of the House in the 38th Congress. Should the ballot be taken in the caucus called for to-morrow

> The opposition candidate for Speaker, without much doubt, will be Cox, it being understood that Ohio decidedly pre-The estimates for the Department of the Interior foot up \$8,050,000. Of this amount the Pension office estimates \$400,000 and the General Land office bout \$600,000. The judiciary estimates are cut down at least \$500,000. The Indian Bureau figures are also cut down. In the Patent office the balance on hand

EVANSVILLE, INDIANA.

RITTENBURG HAS NOW ON HANDS

 splendid assortment of Optical Instruments, which he will dispose of at greatly reduced prices; his goods being all of the very latest im-provements in manufacture, consisting of a very large variety of Spectacles from the most common to the very best, viz; The finest quality of Gold Spectacles those Chause halos constitution tacies, these Glasses being constructed on the Periscopic principles. Also, Silver of three dif-ferent grades of timeses, No. 1 being on the same principle as the Gold Spectacles. No. 2 is a Peri-focal Leose; No. 3 being a fine Achromatic Leose; mirror shape.

In addition to the above I have a fine assort-In addition to the above I have a fine assert-ment of Stock, of the very heat quality of Lenses, the frames being grooved into the Glasses. The frames are so fine as to be scarcely visible. No. 2 of steel is Perifocal No. 3 the globules of a smoked Lense, adapted for weak sight where strong light, snow or wind affects the vision. These Spectacles are a perfect preventative by use-ing them constantly couries the second These Speciacles are a perfect preventative by useing them constantly, causing the eye to gain its healthy power and retain it to old age.

Having had very considerable experience also in cateract eyes, in adapting glasses to such vision, would impress on the minds of all persons needing glasses of any description, to apply for such only to a regular Optician, making that his sole study and business for years, he alone being able to know from the peculiar anatomy of the eye the nature of the defect, whether arising from weakness of sight, flattening of the pupil, or other misfortune occurring to the vision. The eye being the most delicate organ, and of the most vital importance to the happiness and prosperity of man, should never be tampered with, sither by the individual or by those who, for mere profit, take upon themselves the selling of Optical Instruments, and who know nothing of the anatomy of theeye, or how to discover the proper glasses to suit the peculiarity of the different sights of those needing spectacles. Thousands have lost their vision entirely from not applying to those only Liberal a vances made on shipments in store. Refer to Merchants of Memphis generally. smit the peculiarity of the different sights of those needing spectacles. Thousands have lost their vision entirely from not applying to those only qualified to know the different defects in each inguity distribution of the proper kind of spectacles. I. Rittenberg, having had over twenty-five years experience as a regular practical optician, can assure those giving him their patronage that by applying to him they can get the very right kind of glasses adapted to their experience as a regular practical continuous can be applying to him they can get the very right kind of glasses adapted to

STEAM FLOURING MILL. Situated in mediately on the bank of the Ohio River, in the city of Evansville, and well and fa-vorably known as THE INDIANA MILLS, Together with two acres of ground, including the bank of the river to low water mark, and the office, warehouse, and other buildings appor-The machinery of this Mill, though at present

regard to cost.
Since it was put in, the mal, though conducted one of the absence of the owner, has been some of the most successful money-making establishments of the kind in Southern Indians. For the truth of this, we take the Hiserty of referring to Mr. Seo, Wolltin, Sheriff of Vanderburg county; Mr. Newton Ross of Princeton, Gilson county, and Mr. Lyman T. Bayless, now of Mt. Vernon, who have respectively managed the mill for the

ty, and Mr. Lyman T. Bayless, now of Mt. Vernou, who have respectively managed the mill for the late proprietor.

This property, being cantrally situated just at the lower line of the City Wharf, presents a rare opportunity to parchasers, either for Mill purposes, or as a most desirable investment in real estate, which must rapidly enhance in value. At the same time and place we will sell 28 Lots in Mr. Eichard Atkinson's Subdivision of Bl cks Nos. 130 and 134, according to the plan of Lamisson City (now Evansville.) See hand bills for a plan of said subdivision.

Also Lot No. 3, in Block No. 171.

Lots Nos. 1, 2, 3, 4 and 5, in Block No. 172, and Lot No. 2, in Block No. 174; according to the plan of Lamisco City.

Also 4416 feet front on Water street by 80 feet drep, 6215 feet front on Lett street, by 93 feet Also 44% feet front on Water street by 80 feet drep, 62% feet front on Leet street, by 93 feet drep, parts of Loia Nos. 7 and 8, in the Lower Enlargement of the City of Evansville.

Also 20 lots in block 44, according to the plan of Lamasco City; said lots being 25 by 119 feet, with a 12 foot alley in real.

Also the following lots in the Southern Enlargement of the City of Evansville:

Lots 10, 11, 12, 13, 14, 15 and 16, in Block No. 2. Lois 6, 7, 8, 9, 10, 11, 12, 13 and 14, in Block No. 5.

 50. 5.
 Lots 30, 31, 37 and 38, in Block No. 9.
 Lots 15 and 16, in Block No. 10.
 Lots 11, 12, 13, 14 and 15, in Block No. 11.
 Lots 13 and 14, in Block No. 14.
 Lots 4, 5, 10, 11, 12, 13, 18 and 19, in Block Lots 4, 5, 10, 11, 35, 36, 37 and 38, in Block No. 16.

This will be one of the largest sales of Evans-ville City property ever made, and will be positive and without reserve. Great bargains will be had. The title is perfect, and general warrantee deeds TERMS OF SALE -For the Mill tract, cash.
